SHOWCASE BUSINESS CENTERS, INC. PROVIDE FREE AIRLINE BOARDING PASS CHECK-IN AND PRINTING SERVICES TO HOTEL GUESTS

TORRANCE, CA - (September 01, 2006) - Showcase Business Centers, Inc. (Showcase), a leader in providing comprehensive business center services to the hospitality marketplace, now provide free airline boarding pass check-in and printing to guests who utilize a Showcase computer station or Rapid Check-in Kiosk.

Developed for hotel guest convenience, the complimentary service provides users with secure high-speed Internet access to airline web sites, and enables them to quickly check-in to their flights and print any needed boarding passes.

“Previously, hotel guests either had to pay for access to a computer or request assistance from a concierge, said David Reynolds, president of Showcase. “We specifically designed this program to enhance the guest experience, while also ensuring them privacy and security.”

Showcase’s computer network features approximately 1,000 automated machines in hundreds of hotel business centers located across the United States and Canada. With reliable product configurations and a strong commitment to customer service, Showcase provides its customers with 24-hour remote support and monitoring, secure and convenient payment options, efficient equipment, real-time web-based usage statistics, service call history, and automatic software updates.
