

EzTRANS 3500

BY SHOWCASE BUSINESS CENTERS, INC.

PRODUCT OVERVIEW

With EzTrans 3500 you can charge your customers different prices for B&W and color copies! It is a credit card transaction device that fully automates color and B&W copier systems with self-service pay-for-use capability and automatic receipt printing. EzTrans 3500 also provides real-time usage statistics and reporting functions via the Internet, allowing owners to conveniently track transaction history.

FEATURES – BENEFITS:

- EzTrans 3500 distinguishes between color, B&W, letter, legal, A size, B size, and duplex and can bill each at the appropriate rates
- Quick connect easy installation to Konica Minolta® vendor port
- Real-time web stats and reporting provide the ability to view up-to-the minute detailed revenue stats, monthly totals, and forecasting
- EzTrans 3500 offers centralized authorization and back-end management of pricing information

- Automatic receipt printing allows your customer to receive a receipt at the termination of the transaction
- Master account cards for billable tracking
- For copier compatibility visit www.showcasebusinesscenters.com

SERVICE – SUPPORT – WARRANTY

- 24-hour toll free support line
- Service agreements available
- 1-Year limited warranty
